Focusrite® REDNET

Network Audio System

REDNET

We build interfaces that connect DAWs and consoles to a Dante REDNET Network!

Focusrite®

REDNET System

Focusrite® REDNET
Network Audio System

The REDNET System

- 44.1kHz to 192kHz, 24-bit audio
- 119dB dynamic range throughout
- Low latency solution for many DAW's
- Low cost, high quality endpoint solution
